We have the pleasure of inviting you to join the number one Indian cultural and community organization in Florida. India has the world's most diverse people living together, vast diversity and cultures. Our organization unites all aspects of Indian culture and traditions – **Unity with diversity.**

Some of our unique services and events for your family will include :

My sincere heartfelt thanks to all the committee members, volunteers, friends and family for their tremendous efforts and support in helping establish the Indian society of Florida.

Sincerely,
Bhailal Vyas.
